

# MOTHERHOOD TO OTHERHOOD

## Calling all MOMS!

Is your life lost in the shuffle?  
Is your brainchild neglected?

You take care of husbands, children, households, and pets...  
Drive your kids to lessons, practices, social events... You work,  
volunteer... And what have you done for yourself lately?

### In this small group seminar you will:

- \* Feel the energy reenter your life
- \* Figure out what's next for you...  
SELF • LOVE • WORK
- \* Use the lessons learned from pregnancy to  
get the life you want and deserve
- \* Enjoy 2 days of dreaming, creating, and planning
- \* Achieve *Otherhood*

*It's more fun than pregnancy and easier than giving birth.*
